For

“Im the Crafter”

S.NO.	Title	#
1.	Challenge Category	Web Application
2.	Challenge Related Files	N/A
3.	File Link / Target IP	N/A

## PROCEDURE

1. Check the given website.
2. Test around click multiple times on walk
3. Randomly you will get any item
4. When you click to get the item it will send a get request to that item and add that to your inventory.
5. So to solve you can just append `?item=` [items need to craft different stuff till you get the flag]
6. You need to craft both items painting and Dye for both recipes are given in website
7. `index.php?item=stick` will give extra stick in inventory by that get all things
8. Craft items then get the flag

## Flags:
